Angel's Touch Home Care Named as Prestigious 2017 HHCAHPS HONORS Recipient

West Pittston, PA, 11/3/2017 — Angel's Touch Home Care, a subsidiary of Millenium Home Health Care, has been named a 2017 HHCAHPS Honors recipient by HEALTHCAREfirst, a leading provider of Web-based home health and hospice software, billing and coding services, CAHPS surveys and advanced analytics. HHCAHPS Honors is a prestigious award recognizing home health agencies that continuously provide the highest quality care as measured from the patient's point of view. It acknowledges the highest performing agencies by analyzing the performance of Home Health Consumer Assessment of Healthcare Providers and Systems (HHCAHPS) satisfaction measures.

Developed by Deyta Analytics, acquired by HEALTHCAREfirst in 2015, HHCAHPS Honors acknowledges the highest performing agencies by first analyzing performance on Question 25 – *Willingness to Recommend* as a qualifier and then analyzing performance on 18 other questions that comprise the publicly reported measures over a twelve-month period. HHCAHPS Honors recipients include those agencies scoring above the HEALTHCAREfirst National Average on at least 85% of the evaluated questions. HEALTHCAREfirst holds a special recognition, HHCAHPS Honors Elite, to honor home health agencies scoring above the HEALTHCAREfirst National Average on 100% of the evaluated questions.

"Home Health Honors is a landmark compilation of home health agencies that provide the best patient experience," said J. Kevin Porter of HEALTHCAREfirst. "I am extremely proud of Angel's Touch Home Care for achieving this highest of honors and I congratulate them on their success."

Anthony Angelo, President, Angel's Touch Home Care, credits our staff's focus on positive clinical outcomes and patient satisfaction as factors to being named a 2017 HHCAHPS Honors recipient. He said, "At Angel's Touch Home Care our philosophy is to provide high quality care and to keep the patient's needs at the forefront. I'd like to thank HEALTHCAREfirst for recognizing the effort we put into ensuring our patients receive the best care possible."
